At least eighty (80) days before the beginning of the fiscal year, the Board of Directors shall adopt a budget for the Association containing an estimate of the total amount considered necessary to pay the Common Expenses which will be required during the ensuing fiscal year for the administration, operation, maintenance, and repair of the Common Area, drainage structures, and roadways and the rendering to the Members of all related services.

The budget may include such reasonable amounts as the Board of Directors considers necessary to provide working capital, a general operating reserve and reserves for contingencies and replacements. No later than sixty-five (65) days before the beginning of the fiscal year, the Board of Directors shall send to each Member a copy of the budget in a reasonably itemized form which sets forth the amount of the Common Expenses and any special assessment payable by each Member.

The Board of Directors shall set a date for a meeting of the Members to consider ratification of the budget not less than fourteen (14) nor more than fifty (50) days after mailing a copy of the budget. Unless a majority of the Members reject the budget, the budget shall be deemed ratified, whether or not a quorum is present. All repairs and replacements shall be substantially similar to the original construction and installation and shall be of first-class quality. The method of approving payment vouchers for all repairs and replacements shall be determined by the Board of Directors.

4.11. Lien for Assessments.

The total annual assessment of each Owner for Common Expenses or any special assessment made pursuant to these Bylaws is declared to be a lien levied against the Lot or such Owner. The Board of Directors or the Managing Agent shall file for record notice of any such lien, or other appropriate document to establish the priority of the lien.

The plaintiff in such proceeding shall have the right to the appointment of a receiver. The redemption period shall be one (1) month in lieu of nine (9) months.

The Environmental Department's regulations restrict the maximum daily sewage flow per Lot. Smaller Lots may be restricted to sewage flow of 750 gallons per day (maximum eight bedroom residence).

**Article XIII

The Homeowner's Association is required to contract with a private trash collection service for the disposal of solid waste within the subdivision. Each resident shall supply a garbage can of not less than twenty (20) gallons in capacity, together with cover. 18.1. Enforcement.

The Association, or any Member, shall have the right to enforce, by any proceeding at law or in equity, the provisions of this Declaration. Failure by the Association or by any Member to enforce any covenant or restriction shall not be deemed a waiver of the right to do so thereafter. Any condition existing on the property on the date of recording this Declaration which violates any provision of the Declaration shall be deemed a nonconforming use and shall not be subject to abatement.

The right to Notice and Comment does not entitle a Member to be heard at a formally constituted meeting.

18.5. Right to Notice and Hearing.

Whenever the Documents require that an action be taken after "Notice and Hearing", the following procedure shall be observed: The party proposing to take the action (e.g., the Board of Directors, a committee, an officer, the Managing Agent, etc.) shall give written notice of the proposed action to all Members or occupants of Lots whose interest would be
